

6269. Adulteration of milk. U. S. * * * v. Albert Price. Plea of guilty. Fine, \$20. (F. & D. No. 413-c.)

On March 18, 1918, the United States attorney for the District of Columbia, acting upon a report by the health officer of said District, filed in the police court of the District aforesaid an information against Albert Price, Washington, D. C., alleging that said defendant did offer for sale and sell, on January 30, 1918, at the District aforesaid, in violation of the Food and Drugs Act, a quantity of milk which was adulterated.

Adulteration of the article was alleged in the information for the reason that a valuable constituent, to wit, butter fat, had in part been abstracted, which reduced and lowered its quality.

On March 18, 1918, the defendant entered a plea of guilty to the information, and the court imposed a fine of \$20.
